#### **§ 519.10 Amendment or revocation of the regulations in this subpart.**

### **Subpart B—Institutions of Higher Education**

#### **§ 519.11 Applicability of the regulations in this subpart.**

(a) *Statutory provisions.* Under section 14 of the Fair Labor Standards Act of 1938, as amended, and the authority and responsibility delegated to him/her by the Secretary of Labor (36 FR 8755) and by the Assistant Secretary for Employment Standards (39 FR 33841), the Administrator of the Wage and Hour Division is authorized and directed, to the extent necessary in order to prevent curtailment of opportunities for employment, to provide by regulation or order for the employment, under certificates, of full-time students in institutions of higher education. That section contains provisions requiring a wage rate in such certificates of not less than 85 percent of the minimum wage applicable under section 6 of the Act, limiting weekly hours of employment, stipulating compliance with the applicable child-labor standards, and safeguarding against the reduction of the full-time employment opportunities of employees other than full-time students employed under certificates.

(b) *Source of limitations.* Some of the limitations expressed in this subpart are specifically required in section 14(b) of the Act. The other limitations implement the provisions relating to employment opportunities, *i.e.*, the "extent necessary in order to prevent curtailment of opportunities for employment" and the requirement that the regulations shall "prescribe standards and requirements to insure that this paragraph will not create a substantial probability of reducing the full-time employment opportunities of persons other than those to whom the minimum wage rate authorized by" section 14(b) of the Act is applicable.

#### **§ 519.12 Definitions.**

(a) *Full-time students.* A full-time student for the purpose of this subpart is

defined as one who meets the accepted definition of a full-time student of the institution of higher education which employs him/her. A full-time student retains that status during the student's Christmas, summer and other vacations, even when a student is taking one or more courses during his/her summer or other vacation. The phrase in section 14(b) of the statute "regardless of age but in compliance with applicable child labor laws", among other things restricts the employment in an institution of higher education to full-time students who are at least 14 years of age because of the application of section 3(1) of the Act.

(b) *Institution of higher education.* An institution of higher education is an institution above the secondary level, such as a college or university, a junior college, or a professional school of engineering, law, library science, social work, etc. It is one that is recognized by a national accrediting agency or association as determined by the U.S. Commissioner of Education. Generally, an institution of higher education: (1) Admits as regular students only individuals having a certificate of graduation from a high school or the recognized equivalent of such a certificate; and (2) is legally authorized within a State to provide a program of education beyond high school; and (3) provides an educational program for which it normally awards a bachelor's degree, or provides not less than a two-year program which is acceptable for full credit toward such a degree or offers a two-year program in engineering, mathematics, or the physical or biological sciences which is designed to prepare the student to work as a technician and at a semi-professional level in engineering, scientific, or other technological fields which require the understanding and application of basic engineering, scientific, or mathematical principles of knowledge.

**§ 519.13 Application for a full-time student certificate.**

(a) Whenever the employment of its full-time students working in an institution at wages lower than the mini-

mum wage applicable under section 6 of the Fair Labor Standards Act is believed to be necessary to prevent curtailment of opportunities for employment and employment of them will not create a substantial probability of reducing the full-time employment opportunities of other workers, an application for a certificate may be filed by their employer with the appropriate Regional Office of the Wage and Hour Division (or the Denver, Colorado Area Office for Colorado, North Dakota and South Dakota; the Salt Lake City, Utah Area Office for Montana, Utah and Wyoming; and the Caribbean Office for the area it covers). Such an application shall be signed by an authorized representative of the employer.

(b) The application provided for under § 519.14 must be filed in duplicate on official forms or exact copies thereof. The forms are available at the offices mentioned in paragraph (a) of this section. The application must contain the information on numbers of full-time students and full-time employees (other than full-time students), minimum full-time student wages, and other information for which request is made on the form.

(c) Separate application must be made for each campus of an institution of higher education for which authority to employ full-time students at subminimum wage rates is sought.

(d) Application for renewal of a certificate shall be made on the same type of form as is used for a new application. No certificate in effect shall expire until action on such an application shall have been finally determined, provided that such application has been properly executed, and is received by the office specified in paragraph (a) of this section not less than 15 nor more than 30 days prior to the expiration date. A properly executed application is one which fully and accurately contains the information required on the form, and the required certification by an authorized representative of the employer.
